Box PATENT APPLICATION
Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The five references cited on the attached substitute form 1449A are being called to the attention of the Examiner. A copy of each reference is enclosed. The undersigned also brings to the Examiner's attention U.S. Patent App. Serial No. 09/915,184 entitled TRACKING ERROR SUPPRESSION AND METHOD OF REDUCING TRACKING ERROR by Wolak et al., filed July 24, 2001 and assigned to Art Unit 2881, which the instant application is a division of. It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this

Statement, and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

The Applicant believes that no fee is required for submission of this Statement because it is being submitted within three months of the filing date, as provided by 37 C.F.R. 1.97(b)(1).

Respectfully submitted,

Scott W. Hewett
